RE: LETTER OF SATISFACTION, Toronto East Health Network

Maystar was engaged as the Constructor by Michael Garron Hospital (Toronto East Health Network) for the Emergency Diesel Generator Replacement Project, at 825 Coxwell Avenue.

As a client, we are very satisfied with the result of Maystar's work. Maystar worked in a professional and competent manner throughout, provided consistent communication with the client and the design team, and delivered the project with the desired level of quality, consistent with the budget and schedule outlined during the project.

We would be pleased to provide further reference information if required.

Regards,

**Anthony Martino**

Manager of Facilities Services

[Michael Garron Hospital | Toronto East Health Network](#)
