Dear Anthony Leonetti,

I wanted to thank you for the generous support you have provided through your family of companies. We are truly grateful for your Title Sponsorship of several Pickering College events.

We are also so appreciative of the professionalism and care your team brought to our recent West Lake House build. Your additional support through sponsorship is such a meaningful commitment to our school community.

I look forward to working with you for many years to come! With sincere thanks for your partnership and your continued support.
